**Participating Members** are those members who either: 1) serve on the Board or 2) participate in the Program Plan, receive federal or state dollars, and contribute in-kind dollars in the performance of their contracted projects. In addition to dues, participating members will pay a Board approved percentage of their contract award to help support consortium operations.

**Associate Members** (non-participating) are those members who join in support of our mission and goals, in some cases serve on committees, do not participate on Working Groups, do not receive federal or state program dollars, do contribute in-kind support, but for the most part join for the association, support, and promotion of SATS and the SE SATSLab Program.

**What product, service, or support can you or your organization contribute to the SATSLab Program:**
